

2022 ANNUAL FUND DRIVE

BUCHANAN VALLEY FIRE DEPARTMENT

The Buchanan Valley Fire Department responds 24 hours a day, 365 days per year to help you in your time of need. In 2021 we responded on a total of 333 emergency calls requiring our services.

Now, we are relying on you for support! Our 2022 Fund Drive will go directly to our Brush 27 Replacement Project. BVFD has a 2023 Ford Vengeance brush truck on order. Our new Brush 27 will be constructed in Pennsylvania. This new unit will replace our current 14 year old unit. The new unit will be able to safely carry more volunteers and offer many additional capabilities than our current unit. Because of the current supply chain issues, the new Brush 27 will not be delivered until next year.

In today's world, the calls for help go beyond fires. Our volunteers train to mitigate emergencies of hazardous materials, auto accidents, mass casualties and much more. Our

equipment must be kept up to date and be ready for anything possible. But without your support, we would not be able to respond to your calls.

BVFD Membership takes great pride in our Department and Community. Please feel free to stop by the station anytime to see the firefighting fleet or meet some of our members. BVFD is very lucky to have a group of dedicated volunteers that frequently staff the station. BVFD is always looking for new members. There are many tasks other than Fire/EMS that we can greatly use help with.

If you are interested in Volunteering to help your community, BVFD would like

to hear from you. Please either call the Station or stop by to get more info on being a volunteer.

Junior Firefighter Program

Our Junior Firefighter Program focusses on young men/women ages 12-17.

This is a great Program for young men/women to learn life skills while also learning how to help their fellow Neighbors.

Your donations are tax deductible and 100% goes to protect you or a loved one in an emergency!

Thank You!
